WARRANTY POLICY

Two (2) Year Limited Warranty

This warranty applies only to the original purchaser, and shall not be extended to any other person or transferee.

WARRANTY

EduChange and Teachers For Learners warranty for two years from the date of sale to the purchaser (or for any longer period of time required by law) that the Concept Construxions kits and The Differentiated Planning Assistant (DPA) software are of merchantable quality, is fit for its intended use, and that it conforms to all applicable safety specifications.

In no event does the limited warranty cover failures resulting from improper or unreasonable use or maintenance, failure to follow instructions, accidents, or unauthorized alteration or modification of the product.

If you discover that your Concept Construxions kit or DPA software is not of merchantable quality and fails to conform to its applicable specifications, we will, at our option, refund the purchase price, or replace the product, within a reasonable time during the warranty period. The costs of shipping or transporting defective products will be covered by this warranty.
