

From Planning to Publication

Free Support for Students & Teachers

SCHEDULE WEBINAR

Teachers get off to a great start with our planning tools, learn about the JEI process & schedule follow-up support.

SUBMIT DESIGNS

Students benefit from JEI feedback on their experimental or engineering designs. Turn-around is quick!

CONDUCT PROJECT

Students conduct research or build prototypes according to revised designs. Complete data collection, organization & analysis.

SUBMIT MANUSCRIPT

Students follow JEI guidelines to include an abstract and all appropriate sections of your scientific paper.

ENGAGE PEER REVIEW

Your own JEI review team provides feedback! Students complete revisions and re-submit.

**CELEBRATE
PUBLICATION !**
